Faculty of Science, Department of Mathematics & Statistics

1 Year Contractually Limited Appointment

The Department of Mathematics and Statistics at McMaster University invites applications for one 12-month contractually limited appointment as a Lecturer or Assistant Professor. The expected starting date for this position is September 1, 2017, and the salary will be commensurate with experience.

We seek candidates with an advanced degree (PhD or MSc) in Mathematics, Statistics or Actuarial Science with a record of successful teaching at the university level. Preference will be given to individuals who can contribute to our popular undergraduate program in Actuarial and Financial Mathematics, but we invite applicants from any area of mathematics and/or statistics.

If interested, please apply using the Mathjobs website (see our entry at http://www.mathjobs.org). Letters of application should include a curriculum vitae and a statement of teaching philosophy and practice. Applicants should also provide three or more letters of recommendation, with at least one of them reporting on the candidate's teaching abilities. Preferably these letters will be submitted through the MathJobs website (see above), but alternatively candidates can arrange for the letters of recommendation to be sent directly to:

Dr. Hans U Boden, Chair
Department of Mathematics & Statistics
McMaster University
1280 Main Street West
Hamilton, ON L8S 4M2

The Department will begin reviewing applications on May 15, 2017, and we will continue to review applications until the position has been filled.

To comply with the Government of Canada’s reporting requirements, the University is obliged to gather information about applicants’ status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements:

Yes, I am a citizen or permanent resident of Canada
No, I am not a citizen or permanent resident of Canada

McMaster University is strongly committed to employment equity within its community and to recruiting a diverse faculty and staff. The University encourages applications from all qualified candidates including women, persons with disabilities, First Nations, Métis and Inuit persons, members of racialized communities and LGBTQ-identified persons. If you require any form of accommodation throughout the recruitment and selection procedure, please contact the Human Resources Service Centre at 905-525-9140 ext. 222-HR (22247)
