The Department of Mathematics & Statistics, McMaster University invites applications for a faculty position in Statistics. We are seeking applications from candidates at the assistant professor level, however exceptional candidates at the associate and full professor ranks will also be considered, and salary will be based on qualifications and experience. The anticipated start date for this position is July 1, 2014.

Candidates should have a PhD in Statistics or a related field and clear evidence of a strong research programme in a major area of Statistics. Candidates are required to apply for this position via MathJobs. Review of applications will begin immediately and will continue until the position is filled.

For due consideration, candidates need to submit their CV, research statement, teaching statement, and at least three letters of recommendation, one addressing teaching to http://www.mathjobs.org/jobs. The letter of recommendation can alternatively be mailed directly to:

Dr Hans U Boden, Chair  
Department of Mathematics & Statistics  
McMaster University  
Hamilton, ON L8S 4K1  
Canada

We appreciate all replies to this advertisement, but only short-listed applicants will be contacted. All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. McMaster University is strongly committed to employment equity within its community, and to recruiting a diverse faculty and staff. The University encourages applications from all qualified candidates, including women, members of visible minorities, Aboriginal persons, members of sexual minorities, and persons with disabilities.
